

Los Angeles Wildfires Relief Proposal Grant

Rotary District 5280 Charitable Foundation is proud to announce the availability of the *Rotary Los Angeles Wildfire Relief Funds* to support recovery and rebuilding efforts for communities impacted by the devastating 2025 Wildfires in Los Angeles County. These funds were made possible through the generosity of Rotarians, partners, and supporters from around the world who came together to stand with our local communities in a time of need.

Rotary clubs within District 5280 are invited to apply for project funding to provide direct assistance, long-term recovery, and community-strengthening initiatives that will bring relief and hope to affected families and neighborhoods. Clubs may request funding between **\$10,000 and \$50,000**, based on the scope and impact of their proposed project.

This application is designed to ensure that projects funded through the Los Angeles Wildfire Relief initiative are impactful, sustainable, and aligned with Rotary's commitment to Service Above Self.
